INTRODUCTION

1. Our agreement with you

- 1.1. This document (referred to as the “General Terms”) is part of a wider agreement between you (also referred to as “our client”, “your” and “you”) and CMC Markets Investments Limited (also referred to as “CMC Invest”, “we”, “us” and “our”) in relation to your activities carried on with us. By accepting this document, you also accept the third party terms located on the legal documents page of the Website.
- 1.2. Capitalised words in these General Terms have a special meaning which are either explained in the Definitions section in the Schedule or in the FCA Rules.
- 1.3. Our Agreement with you consists of these General Terms (including any Schedules), our Fee Tariff, the Order Execution Policy and any specific terms and conditions you accept on the Application (“Agreement”). These documents are available on our Website and in our Application. In accordance with clause 24, we will notify you of any changes to the Agreement. You must ensure that you keep informed of these changes.
- 1.4. There are additional documents and important information available to you on our Website and through our Application, which contain useful information but are not part of the Agreement. These include risk warnings on the generally recognised risks of investing and specific risk warnings in relation to particular types of Investments. These also include our Summary Conflicts of Interest Policy and Privacy Policy, and, where relevant, documents governing the terms of investment in third party funds such as Key Information Documents, Key Investor Information Documents and other fund documentation.
- 1.5. It is our intention that the Agreement contains all the terms and conditions that govern our relationship and your activities carried on with us on or in relation to the Application and supersedes any prior oral or written representations and/or agreements between you and us which relate to our Application.
- 1.6. The Agreement will become legally binding between you and us on the date that we confirm in writing that we have accepted your application to open an Account. You may cancel the Agreement by giving us notice in writing within fourteen (14) calendar days of this date. Following a valid notice of cancellation, we will return any money that you have transferred to us. Notwithstanding the above, you will not have the right to cancel this Agreement within fourteen (14) calendar days of your Account opening if you have, in this period, purchased any Investments whose price depends on fluctuations in the financial markets outside our control. You may, however, still sell or transfer your Investments and/or close your Account in accordance with the Agreement.

We may also carry out any additional checks or periodic reviews that we (in our sole discretion) determine are necessary or appropriate in the circumstances. You will need to promptly supply any information that we request to avoid any delay to your Account being opened.
- 4.5. We rely on the information that you provide us in the Account opening process or otherwise as being correct and not misleading at all times, unless you notify us otherwise in writing. You must notify us as soon as possible in writing if any of the details provided to us in the Account opening process have changed or if your circumstances have subsequently changed.
- 4.6. We may, in our sole discretion, facilitate the re-registration or transfer of investments that you hold with different providers to us, in whole or in part, where it is possible to do so and in accordance with Applicable Law. You may be required to make payments to third parties. In certain instances, the outgoing provider may not transfer an accurate book cost detailing the purchase price of any investments transferred to us and you will be responsible for updating the book cost in the Application. If you are unable to update this information on the Application then you will be responsible for keeping your own records. For further information, please refer to our Application.

5. Security and accessing the Application

- 5.1. You are responsible for setting your own password in accordance with the instructions that we will provide to you, as well as keeping all information you hold in your Account confidential. You must notify us immediately if you know or suspect that any person has accessed or may access your Account, or any information you hold in your Account, without your permission. Unless you notify us otherwise under this clause 5.1, we will treat any activity on, or communication made from your Account as having been made by you and you will be liable for such activity up to the point of notification. We may need to change or reset your password and we will notify you if we do this.
- 5.2. We will do our best to make our Application available when required by you, but we cannot guarantee that our Application will be available continuously. Subject to clause 21.1, we will not be liable to you for any loss which arises as a result of our Application being unavailable.
- 5.3. Where our Application, Website, e-mails or any other content generated by us contains links to other websites and resources provided by third parties, these links are provided for your information only and we accept no responsibility for them or for any loss or damage that may arise from your use of them.

6. Payments and withdrawals

- 6.1. You are responsible for making any payments to us which are required under the Agreement. We may reject or return any payment that is not made in accordance with our payment procedures (details of which are available on our Application).
- 6.2. Subject to clauses 10.2 and 10.5, any payment made by you will only be given effect once our systems have credited it to the relevant Account and it is shown on our Application. We cannot guarantee how long this process will take and, subject to clause 21.1, we will not be liable to you for any loss arising as a result of any delay in us crediting any payment to your Account.
- 6.3. You are responsible for any costs and charges incurred in the process of making any payment to your Account. You may also be liable for other charges that are not imposed by us, including bank transfer fees and fees to internet and telephone service providers. If you make a payment by debit card or withdraw money from an Account, we may charge an administration fee to process that payment and/or withdrawal.
- 6.4. You may make a request to withdraw your available Cash from your Account. Details on how to make withdrawals of money from your Account are available in our Application.
- 6.5. Unless we agree otherwise or in order for us to comply with Applicable Law, we will only accept a request for a withdrawal of money from an Account that is given directly by you. We will not accept any request for a withdrawal of money from an Account from any other person. You will only be able to withdraw money from your Account in currencies which we have enabled on your Account. Please refer to our Application for further information on the currencies we offer. Withdrawals will only be processed by us where the destination for the money being withdrawn is to an account in your name, which you have registered with us, unless (subject to our prior approval) you have notified us in writing that your payment details have changed.
- 6.6. We may in our reasonable discretion refuse or delay giving effect to your request for a withdrawal of money (in whole or in part) from your Account, including as a result of any request to close that Account under clause 25.1. We will notify you as soon as reasonably practicable if we decide to refuse or delay giving effect to your request for a withdrawal.
- 6.7. The ISA Terms contain additional restrictions on payments into and withdrawals from an Individual Savings Account.

7. Placing Orders

- 7.1. You can place Orders via the Application. You must ensure that you have sufficient Cash or Investments in your Account to cover the value of the Order and any applicable dealing costs for it to be processed successfully.
- 7.2. If you cannot access our Application directly, then you can try to contact our customer service team by telephone to request assistance. However, often it will be quicker to access the Application directly as we cannot guarantee the availability of our customer service team.
- 7.3. Our acceptance of Orders is at our sole discretion and subject to change at any time without notice. This may be for reasons including where you have insufficient Cash or Investments in your Account to cover the Order and any applicable dealing costs.
- 7.4. Our Order Execution Policy sets out further details on the types of Orders that you can place via the Application and how we deal with your Orders. Indicative pricing will be displayed on the

Application. However, your Order will be executed at the price available at execution. By submitting an Order, you confirm your agreement to us acting in accordance with the Order Execution Policy, which we have designed to obtain best execution for you in line with our obligations under the FCA Rules. In the event we materially change the Order Execution Policy, we will inform you.

- 7.5. Any instructions you give us regarding Orders and your Investments form a commitment which, once submitted for execution, cannot be subsequently amended or revoked.
- 7.6. If a delay occurs for any reason, we will complete your Order as soon as is reasonably practicable. In the event of a delay, your Order will be executed at the price available at execution. Delays may occur for example where your Order sits in line behind other clients who have submitted comparable Orders before you.
- 7.7. We will retain certain information in your Account that we are required to provide you with in relation to an Order to the extent and for the duration required by Applicable Law (usually six (6) years from the date of the relevant Order). You may access this information through our Application unless the relevant Account has been closed or the Agreement has been terminated. After this period, we may destroy this information or retain it for such further duration as we see fit in our sole discretion and without notice to you.

8. Dealing in Investments

- 8.1. When you buy or sell Investments via the Application, we will carry out each transaction for you as your agent. You agree that we may arrange for any Order to be executed with or through an intermediate broker, including one of our Associates.
- 8.2. You can only sell Investments held in your Account. We do not accept short selling and you agree that you will not use or attempt to use your Account to pursue a short selling strategy.
- 8.3. It is your responsibility to ensure that you are eligible to hold your chosen investments and you should monitor any restrictions, whether imposed by law, the issuer or the provider of an investment or otherwise, that are placed on any investments you hold. You are also responsible for discharging any obligations that you may have to report transactions to the FCA or to a market or exchange, for example in a takeover situation or where in the course of your employment you are a Person Discharging Managerial Responsibilities (as such term is defined in the FCA Rules).
- 8.4. All Orders are subject to and will be executed in accordance with the rules and regulations of any relevant market, exchange or settlement system and we or our executing broker may be required to take steps in relation to your Orders and Account, where required by such rules and regulations or appropriate market practice. All actions we take in this respect will be binding on you.

9. Confirmations and reports

- 9.1. Once we have carried out an Order for you, a confirmation will be sent to you via the Application by the end of the next Business Day containing information concerning its execution, including the price at which your Order was executed, the total consideration and the settlement date.
- 9.2. Every quarter, a statement of your Cash and Investments will be sent to you via the Application. Other information on your Account will be accessible via the Application, including the value of Cash and Investments held within it. We will typically value your Investments using the last available

valuation point. Investments in funds will be valued in accordance with the requirements and at the frequency as determined by the fund manager. We will use the last available rates in relation to any Currency Conversions. Further information may be made available on our Application from time to time. You may request more regular statements of your Cash and Investments and/or for statements to be provided by post but we may charge you for providing them.

- 9.3. Any confirmation, report or notification that we give to you will be deemed to be correct, conclusive and binding unless you object to it in writing within five (5) Business Days of its delivery to you.

10. Settlement

- 10.1. Settlements will be made to or from your Account. Different types of Investments have different settlement timescales. Dealings in funds will be carried out in accordance with the terms and timescales determined by the relevant fund manager. Transactions in securities will usually settle with the stock exchange two (2) Business Days after an Order is executed, which is known as 'T+2'. The intended settlement date, which is the settlement date on your contract note, cannot be changed once an Order has been executed. Proceeds from such transactions will only be withdrawable upon settlement.
- 10.2. You will take all action necessary to enable us to effect settlement and delivery of transactions as they fall due in accordance with the requirements of the relevant market, exchange or clearing house, including making any appropriate payment or delivering any Investments, other assets or documents to us in good time to complete settlement and delivery. If any payment or delivery is not received or is incomplete when received on or before the settlement date, or we reasonably consider that such payment or delivery may not occur in time, we reserve the right to take such action as we in our sole discretion consider appropriate, including to liquidate the transaction without notice to you and to instruct the relevant intermediate broker to buy or borrow Investments on your behalf to fulfil your obligations to deliver. Note that failing to settle a transaction on the intended settlement date can carry high penalties and costs and you will be liable for any losses on liquidated positions or costs or expenses incurred by us in taking such actions.
- 10.3. If you have placed a buy Order, you must ensure that your Account is credited with sufficient Cash to effect the transaction and any dealing costs, taxes, duties and any other charges in respect of that transaction are paid or otherwise made available for our use at the time of the Order. If any money becomes due from you to us, to an intermediate broker or to a third party as a result of a transaction, we shall be entitled without further authority from you to recover such money by debiting your Account. Once an Order is submitted for execution an amount of Cash will be ring-fenced in your Account and you will not be entitled to use that Cash in respect of other Orders or request to withdraw that Cash.
- 10.4. We may credit your Account with the proceeds of a sale before we have received cleared funds from the relevant counterparty to allow you to pre-fund a purchase. If we credit your Account with any amount as a result of a payment we expect to receive, but which we do not subsequently receive, then we shall be entitled to recover such amount from you.
- 10.5. We will not be responsible for the default or failure of any counterparty to a transaction, any market infrastructure provider or settlement agent and delivery and payment will be at your own risk. Any crediting of Cash or Investments to your Account is subject to reversal if, in accordance with local

laws and practice, the delivery of Cash or Investments giving rise to the credit is reversed, or if you fail to pay all amounts payable to us in relation to a transaction.

- 10.6. If we credit Cash or Investments to your Account in reliance on funds believed to have been received from you, we shall be entitled to recover an equivalent amount from you by any means (including by selling any of your Investments) if such funds are not actually or unconditionally received by us.

11. Costs

- 11.1. The costs associated with trading and investing in Investments via our Application are described in our Fee Tariff, which can be found on our Website. Where payable in relation to such costs, value added tax will be charged at the prevailing rate.
- 11.2. Different Orders and Investments may also carry additional costs, such as commissions, brokerage fees, transfer fees, registration fees, stamp duty and other applicable taxes. Dealing in certain Investments may also require a Currency Conversion, as described in clause 13. You will receive indicative details of the charges applicable to any Orders you place prior to your investment. Further details of our costs and any additional costs can be found in the Fee Tariff and on our Website, in our cost disclosure documents, on our Application and in these General Terms. The confirmations and reports referred to in clause 9 will provide you with a breakdown of the actual costs and related charges incurred by you with respect to your transactions. You can find further information on any additional fees applicable to an Investment in (where relevant) the Key Information Document, the Key Investor Information Document..
- 11.3. We may impose and/or vary costs from time to time where we have a valid reason for doing so. We will give you written notice at least thirty (30) calendar days before we implement any change to our Fee Tariff. We may also, in our sole discretion, waive these costs.
- 11.4. You must have sufficient Cash in your Account to meet any costs. For information on how we collect our fees / costs, please refer to our Application.
- 11.5. If you owe us money which we cannot collect from Cash in your Account, we reserve the right (acting reasonably, in our sole discretion and without notice to you) to sell all or part of your Investments to recover any outstanding fees owed by you to us (see clause 12). If following this, there is still an outstanding sum on the Account, this represents a debt due and payable to us immediately.

12. Power to sell

- 12.1. If you (or any third party acting on your behalf or at your direction) fail to make any payment or deliver any investments or documents due to us, then we may use reasonable endeavours to provide you with notice but we reserve the right at any time that we, in our sole discretion, consider necessary, to:
 - 12.1.1. cancel any outstanding transaction(s);
 - 12.1.2. use funds held in any of your Account(s) or arrange the sale of any Investment(s) to settle any debts in relation to the Services provided under the Agreement; or
 - 12.1.3. reverse any transaction or take, or refrain from taking, such other action we reasonably consider necessary or appropriate.

13. Foreign Currency and/or Conversions

- 13.1. If you enter into transactions in Investments that are denominated in a currency other than your Account Currency, you may incur fees, such as a foreign exchange spread, which will be added to our Currency Conversion Rate. Fees are further explained in our Fee Tariff. When you place an Order, you will receive an indicative quote for the relevant Currency Conversion. By proceeding with an Order in those circumstances, you agree to the Currency Conversion at the Currency Conversion Rate, which may differ from the indicative quote depending on fluctuations in the market.

14. Multi-Currency Wallets

- 14.1. If enabled on your Account, you may hold, convert, trade and settle in currencies which we allow our clients to hold from time to time. For details of the currencies which can be held in a multi-currency wallet, please see the Application for further details.
- 14.2. You can decide which currency to use when executing transactions. If you do not choose a specific currency, the default currency which will be used to execute a transaction will be the Investment denominated currency ("Default Currency"). Where the Default Currency is different to your Account Currency and you have insufficient funds in your Default Currency, funds in your Account Currency will be used to facilitate the execution the transaction.
- 14.3. You are unable to use two different currencies to execute one transaction.
- 14.4. You will only be able to deposit funds in the same currency as your Account Currency.
- 14.5. If the multi-currency wallet is not available on your Account or is disabled:
 - 14.5.1. any funds held in the multi-currency wallet; or
 - 14.5.2. any electronic transactions and payments received into your Account that are denominated in a currency different to your Account Currency, will automatically be converted to your Account Currency.

15. Your money

- 15.1. The money we hold for you is money we have received from you or a third party for your benefit. This includes money you have deposited but have not invested yet, income received from your investments and the proceeds from selling your investments before the money is distributed to you or reinvested by you.
- 15.2. We shall hold and maintain an amount equal to your Cash in your Account that you hold with us in a segregated client money bank account in accordance with the FCA Rules. We may hold client money in a pooled account as part of a common pool of money. This means that you do not have a claim against a specific amount in a specific account. If any bank we use to hold client money were to fail for any reason, you may share pro rata in any shortfall.
- 15.3. Where we consider it appropriate to do so, we may from time to time hold client money in segregated client money bank accounts with fixed term deposits or notice periods. Such fixed term deposit accounts or notice periods will not affect your ability to deal with or withdraw your money in the ordinary course of business. However, there is a risk that, in exceptional circumstances, the longer notice period could result in a delay in returning some or all of your money to you until the expiry of the relevant fixed term or notice period.

- 15.4. Where we consider it appropriate to do so and in accordance with our regulatory permissions, we may from time to time hold client money in a qualifying money market fund. Where we do so such money will not be held as client money but will be held as safe custody assets in accordance with the FCA Rules. By accepting this Agreement, you agree that your client money may be held in such a fund unless you notify us otherwise in writing. On receipt of such notice from you, we will take steps to remove your money from any money market fund as soon as reasonably practicable, subject to any restrictions that apply to the withdrawal of money from the relevant fund.
- 15.5. We may pass your money to a market, exchange, intermediate broker, clearing house or similar organisation to hold or control so that we can carry out a transaction through or with that person on your behalf. In the absence of our negligence, we will have no responsibility for any acts (or failure to act) of any other organisation we pass your money to. Those organisations may have a security interest over or right to use that money as a result of any money owed to them. The organisation we pass your money to may hold it in a general account and it may not be possible to separate it from our money, or their money. If the organisation becomes insolvent, we will only have an unsecured claim against the organisation on your behalf. You acknowledge that this means that the other organisation may not pay us enough money to cover the claims of you and all other clients.
- 15.6. We may pass your money to an intermediate broker, settlement agent or organisation which may be based outside the UK. In these circumstances, the applicable regulations to the bank, broker, agent or organisation holding your money will be different from that of the UK. If the bank, broker, agent or organisation is unable to return your money, it may be treated differently from the position which would apply if the money was in the UK.
- 15.7. If there has been no activity on your Account in the previous six (6) years, we will make reasonable attempts to contact you regarding any client money held in your Account. If we are unable to contact you, you agree that we may cease to treat such money as client money and release it from our client money bank account and pay it to charity in accordance with the FCA Rules. If you later make a valid claim to us, we may pay you any amount owed to you by us if it is above £25.
- 15.8. We will be entitled at any time and in our sole discretion to deduct or recover, without notice or recourse to you, any money placed in or credited to your Account in Error by us or on our behalf.
- 15.9. You agree that we may treat as due and payable to us any client money which we hold for you, to the extent of all or any part of any obligation that you owe to us under the Agreement.
- 15.10. We will not pay interest to you on any money held on your behalf or otherwise under this Agreement, however we reserve the right to pass on any negative interest rates to you.

16. Your assets

- 16.1. We will provide custody services to you in relation to Investments that you purchase through us in accordance with the FCA Rules. Your Investments shall only be released on our instructions to settle transactions authorised under or in connection with this Agreement or otherwise in accordance with your instructions.
- 16.2. All Investments that you purchase through us will be registered in the name of our own CMC Markets Investments Nominee or in the name of a Sub-Custodian appointed by us (or their nominee). As a result, you may not receive certain entitlements that you would otherwise be

- entitled to as a shareholder, such as annual reports and accounts and the right to attend and vote at annual or other meetings. Where Investments are held by a Sub-Custodian outside the UK, different legal and regulatory requirements and market practices will apply and your rights in relation to those Investments may differ, including in the event of that Sub-Custodian's insolvency.
- 16.3. We will identify, record and hold your Investments separately from any of our own assets and in such a way that they can be identified at any time. In limited circumstances where this is not possible, you agree that we may register Investments in our own name in accordance with the requirements of the FCA Rules.
 - 16.4. We will exercise all due skill, care and diligence in the selection, appointment and periodic review of Sub-Custodians before we appoint them and for so long as they remain appointed by us.
 - 16.5. Except where we delegate custody to a Sub-Custodian that is an Associate of ours, and provided we have discharged our obligations under clause 16.4, you agree that neither CMC Invest nor any of our Group companies, directors, staff, agents, suppliers or contractors will have any liability, of whatever nature and howsoever arising, for any loss of or reduction in your Investments while held by a Sub-Custodian (including if a Sub-Custodian should become insolvent or otherwise unable to transfer your Investments) or for any delay in those Sub-Custodians transferring your Investments based on your instructions. We accept liability for the acts and omissions of our Associates in relation to the holding of your Investments as if they were our own.
 - 16.6. We may pass your Investments to an intermediate broker, settlement agent or counterparty or to an exchange or securities depository or any participant in such a system. These persons may have their own arrangements for dealing with and holding assets to facilitate settlement and they may also be located outside the UK.
 - 16.7. If we identify a shortfall in the assets that we hold for our clients, we will appropriate a sufficient amount of our own money to cover the value of the shortfall and hold it for the relevant clients in a segregated client money bank account in accordance with the FCA Rules.
 - 16.8. We will have a lien or first fixed charge over and right to sell all of the Investments in your Account and can use them to pay amounts due to us under this Agreement. Any Sub-Custodian, nominee, agent or certain other third parties (including an exchange, securities depository or settlement system) may have a security interest in any of your Investments, or have the right to use the value of them to pay charges relating to the administration and safekeeping services they provide in relation to those Investments, or to the investments of other clients of ours, or where such interests are required under the law of the jurisdiction in which the safe custody assets are held.
 - 16.9. Your Investments may be held in a pooled account together with investments belonging to other clients of ours, including in an omnibus account maintained by a Sub-Custodian at a settlement system. As such, your Investments may not be identifiable from those of other clients by physical documents of title or equivalent electronic records. We will maintain records to enable the identification of the interests of our clients in investments held in a pooled account.
